PRODUCTS

LA TECHNICAL INC.

AUTHORIZED AGENTS / DISTRIBUTORS

KNOX WESTERN, USA

Manufacturer of Heavy duty, Multi-stage, Reciprocating Gas Compressors ranging from 30 to 1400 H.P., meeting the requirements of API 618.

NOWATA FILTRATION, USA

Manufacturer of complete line of Cartridge filter Vessels, Separators and Cartridges.

WOLAR INDUSTRIAL, INC., USA

Manufacturer of complete line of Ring Joint Gaskets and also Custom made Oilfield and Industrial designed Gaskets and Seals, Lens, Delta Gaskets, Bonnet and Valve Seal Rings and Bridge Man Gaskets. In a wide variety of Exotic Materials; Monel, Inconel, Incoloy, Copper, Aluminum, Alloy 20, Hastalloy and several other specials. Fully in Compliance with API 6A / ASME B 16.20

PARKER SEALS, USA

Parker Seal offers the worlds widest range of Hydraulic and pneumatic piston and rod seals in both standards inch and metric sizes.

FISHER INDUSTRIES, USA

Manufacturer of Vertical Multi-Stage Process Pumps API-610 8th Edition .

Hydraulic Rod Pumps, Int'l

HYDRAULIC ROD PUMPS INT'L

Manufacture ultra-long stroke hydraulic pumps. Has a selection of reliable, fill-featured ultra-long stroke pumping units with no stuffing box .

VIAR MECCANICA

VIAR MECCANICA

Manufacturer of forged fitting in CS , Alloy Stl. SS , Nickel Alloy in accordance with ANSI b.16 ASME, BS, DIN for upto 48". Product range from specially designed fitting, unions , swage & pipe nipples , nozzles , pad & anchor flanges sweep & weld-o-lets.

Gulf Valve

GULF VALVE

Manufacturer of Wafer Check Valves in the 2" to 60" size ranges and temp. range of 426 Deg. F. to 1100 Deg. F. Press class ASME 125 thru 2500. Cast iron materials and Trims available for all services . Wafer, threaded & through bolt lug and flange body styles.

GALLI & CASSINA

Manufacturer of lubricated pressure balanced plug valves in short , regular and venture patterns according to API 599 & API 6D. This size range is 1/2" to 30" for standard, Low temperature and sour service . Ansi class 150 to 1500.

HOMEWOOD SALES CORP. (FORMERLY WESTINGHOUSE)

Manufacturer of Vertical and Horizontal Mount AC & DC Motors and Generators, HP range from 1 to 1000, explosion proof as well as Nema design, built to original Westinghouse design specification.

KIMRAY INC.

Manufacturer of Glycol Pumps, Control / Balanced / Diaphragm Operated and 3 Way Motor Valves, Pressure Differential and Temperature Controllers, Pilot Operated Pressure Regulators.

TYCO ELECTRONICS (RAYCHEM)

Preferred distributor for Tyco Electronics Energy Products (Raychem), Electrical connectors and accessories for electric utility and power construction.

MISSION FLUID KING (OILFIELD PRODUCTS)

Mission Fluid King's complete line of Centrifugal Pumps such as Magnum 1, Type XP, S & W, Sandmaster & Vortex Centrifugal Pumps. Complete line of expendables for all makes and models of Mud Pumps, Liner valves, seats, pistons and rods for all model mud pumps.

SQUIBB & TAYLOR INC.

Supply of all equipment, parts, and support services to the LPG gas industry. Supply of all Taylor Liquid Level Gauges, Algas-sdi direct fired & electric vaporizers & PGI int'l vaves for the Lp gas industry in addition we supply Corken pumps & compressors.

ELLIOT TOOL TECHNOLOGIES

Manufacturer of a complete line of HVAC-R maintenance tools & accessories. Varied range of tube tool. For mechanical cleaning, tube expanding, tube rolling motors, tube pulling equipment, tube extrating equipment, retubing tools, tube plugs, tube & joint leak testers, and various other miscellaneous tools.

CRANE PRO PARTS

Products & parts support for all the crane equipment. Such as Kone Cranes etc.

ALLMAND BROTHERS

Manufacturer of portable light towers, trailer & mounted deisel engine operated, portable light stands, portable industrial heaters and various other support equipment for remote field operation.

OMSCO INDUSTRIES

Manufacturer of drill pipe, collars, heavy weight, directional wate, kellys, valves, rotary subs, pup joints etc.

SKW/ DEGUSSA CHEMICALS

Well construction chemicals. Fluid loss polymers for drilling fluids.

APC HOUSTON

A one stop shop for all your oilfeild requirment such as: pipe and tubing, buttweild fittings, flanges, pressure fittings, outlets, nipple swages, vales: gate- globe- check- ball- plug-& butterfly. bolts, fasteners and gaskets.

HAMMONDS

Advanced technology vortex tablet automatic chlorinators with analyzers. vortex feeder with manual controls. The analyzer provides continous monitoring of chlorine residual, ph & water temperature. for pressure fed appliction for wells from 50- 2000 gpm - ul listed controls for on site and remote monitoring.

ALALYTICAL INSTRUMENTS CORP

Design & manufacture of distributed control chromato-graph systems for the gas industry process. pipeline btu. laboratory.

DIXIE IRON WORKS

Complete line of fluid control equipment- complete manifolds, plug valves, chokes, flow line adapter and replacement parts designed engineered, manufactured and tested. in according with api- ga standards that meets or exceeds iso-9001 standard.

MAXIM EVAPORATORS

Maxim Fresh Water makers using waste heat off the stacks or jacket water. Used primary for offshore oilrigs and marine vessels. Maxim builds a wide range of evaporators from 192 to 22,500 gallons per day units.

CPC / PUMP INT'L, CANADA (formerly United Pumps of Canada)

Manufacturer of Centrifugal, Horizontal and Vertical pumps, meeting the latest requirements of API 610.

DODSON STEEL PRODUCTS

Largest stockist in the US for:

Butt Weld Fittings: 1/2" to 60" all grades and types. Forged Steel Fittings: 1/2" - 48" CS, threaded socketweld 2000# - 6000#, couplings, outlets, weldolets etc. Forged Steel Flanges: 1/2" - 96" CS, 150# - 2500#, All facings and all bores, welding neck slip-on, blind, lap joint etc. Valves: 1/2" - 24" cast steel, gates, globes, checks etc. Also all types and grades of SS tubing, flanges, fittings, valves.

COMBUSTION ASSOCIATES, INC.

Wide array of packaged combustion and turbine generator systems, both skid mountain stationary. Fabricates the follow

- * Low NOx burners * Selective None Catalytic Reduction (SCR) Systems * Integrated Skid Mounted Systems
- * Fuel Delivery Skids * Packaged Turbined Generator Systems * Burner Management & Combustion Control Systems
- * Packaged Fuel/Steem Atomizing Skids.

NUTTALL GEAR / DELROYD WORM GEAR

- * Delroyd Worm Gear Speed Reducers & Worm Gear Sets
- * Type TDS / HPD Parallel & Right Angle Shaft Speed Reducers
- * Module Concentric Shaft Speed Reducers & Gearmotors
- * Type Su & Type SD High Speed Gear Drives
- * Type RV Right Angle Vertical Speed Reducers
- * Veri-Dri Vertical Concentric & Parallel Shaft Drives
- * Metals Industry Gear Drives
- * Custom Engineered Drives

RETSKO Ltd.

- * Specializing in:
 - Reset Relief Valves.
 - Shear Relief Valves.
 - Rig Expendables.
 - Solids Control Equipment.
 - Drill Pipe Float Valves.
 - Mud Pump Pressure Gauges.
 - Style "C" Tilting Disc Chek Valves.
 - Soft-Seated Ball Valves.
 - 3 Piece Ball Valves.
 - DEMCO Gate Valves.
 - DEMCO Butterfly Valves.
 - DEMCO Adjustable & Positive Chokes.

ECS GOLD CREW PRODUCTS

Special oil spill dispersant, fire fighting control agent, petroleum spill cleanup, all purpose marine cleanup. Rig wash and equipment degreasing, sludge pit cleanup, parafin removal & prevention.

GOVAN INDUSTRIES Pty. Ltd.

Manufacturers of EXd lights, control stations, junction / terminal boxes, signaling and special purpose equipment (EXd and DIP) pressurized equipment (EXD) custom built switch boards and control stations, inter lock switch receptacle and plugs

T3 ENERGY SERVICES

Positive & adjustable chokes, Ram type and annular BOPS united Wellhead services.

DEGUSSA CONSTRUCTION CHEMICALS

- * BIOVIS (BIOPOLYMETRIC VISCOSIFIER FOR DRILLING FLUIDS / BRINES).
- * BIOFLOW (XANTHAM GUM) Viscosifier for Water-Based Drilling Fluids.
- * LIQUIMENT DF (High Performance Cement Defoamer).
- * LIQUIMENT K3F (Plasticizer for Cement Slurries).
- * MELFLUX 1641 F (High Performance Dispersant fro Cement Slurries).
- * POLYTROL FL 344/322/9 (Fluid Loss Additives for Cement Slurries).
- * POLYDRILL (Multi-Functional Fluid Loss Polymer for Drilling Fluids).
- * POLYTHIN (Polymeric Deflocculant for Drilling Fluids).

ISLIP FLOW CONTROL INC.

Simplex basket strainers, Y strainers, quick opening covers, butterfly valves.

KEMPER VALVE & FITTING

Oil field Hammer union, swivle joints, pup joints, cement & circulating steel hose loops, integral flow line fittings, integral manifold fittings, Hammer union, cross overs and swages, Kemper manifold trailers, flow line dart, swing check and pressure relief valves.

ARROW ENGINE COMPANY

* Provides a wide variety of engine replacment parts and engine accessory products, as well as slow speed engine, four and six cylinder engines, generator sets, and chemical injector pumps for the oil and gas industry and other industrial engine markets.
